

Pella® 150 Series VINYL

Quality vinyl windows and patio doors, backed by Pella.

Single-Hung¹

LONG-LASTING, QUALITY VINYL FRAMES

Pella 150 Series windows and patio doors use a precision welding process to help resist warping and twisting. Our easy-care vinyl also uses a fade-resistant formula that is performance-tested for excellent weathering, durability and color retention.

EASIER INSTALLATION

To reduce installation time, block frame double-hung windows come with factory-applied perimeter foam insulation and sliding patio doors come fully assembled.¹ Complete installation directions are available at installpella.com.

INCREASED ENERGY EFFICIENCY

Pella 150 Series windows offer solutions that will meet or exceed ENERGY STAR® guidelines in all 50 states.²

ALL-METAL LOCKING HARDWARE

Anchored to the sash, all-metal locking hardware enhances security and ensures long-lasting, dependable operation.

CONVENIENCE AND PRIVACY SOLUTIONS

Add privacy with blinds-between-the-glass on sliding patio doors.³ Permanently sealed between panes of glass, they never need cleaning and are protected from damage.

LIMITED LIFETIME WARRANTY⁴

Give your customers peace of mind knowing these products are backed by Pella, a leader in the window and door industry for nearly 100 years. Pella 150 Series windows and sliding patio doors are backed by one of the best warranties in the business.

TESTED BEYOND REQUIREMENTS

At Pella, our products are tested beyond requirements to help ensure they have long-lasting performance.

WINDOW SIZES AVAILABLE IN 1/8" INCREMENTS

Maximum square footage rules apply. Maximum width and height cannot exceed the maximum square footage. Special shapes available. Visit pellaatltores.com/150 for specific sizes and glazings tested and for more information regarding frame and installation types.

Colors

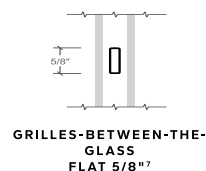

Frame Colors Create a signature look with solid-color frames.

SOLID-COLOR:

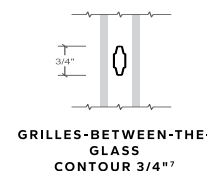

Grilles

Grille Types Grilles are color-matched to the window or patio door interior and exterior frame color.³

West Region Only

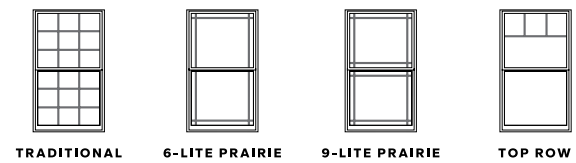

^{5,6,7} See back cover for disclosures.

Grilles

Grille Patterns

Choose from a variety of grille patterns for the traditional look of divided light. Grille patterns offered may vary by product. See specific product information for availability.

Window Hardware

Sliding, Single- And Double-Hung

Pella's all-metal cam-action lock pushes the sashes against the weatherstripping for a tighter seal.

COLOR-MATCHED FINISHES:

Integrated Sash Lift

Make raising and lowering single- and double-hung window sashes easy with a standard, integrated sash lift.

COLOR-MATCHED FINISHES:

Window Limited Opening Devices

A vent stop can be engaged or disengaged manually and restricts how far the bottom sash of a single- or double-hung window can open. A window opening control device (WOCD) complies with a safety standard and allows for ventilation, emergency escape and rescue when released. A WOCD automatically limits the sash opening to less than four inches, unless it is intentionally disengaged, enabling the sash to fully open.

COLOR-MATCHED FINISHES:

Patio Door Hardware

Sliding Patio Door

Match the door's exterior color with a color-matched, corrosion-resistant handle, or upgrade the interior finish to add a touch of style.

COLOR-MATCHED FINISHES:

UPGRADED FINISHES:

Patio Door Blinds

Blinds-Between-the-Glass³

Add privacy and complement your project's decor with blinds-between-the-glass on sliding patio doors. Located between panes of glass, blinds are protected from dust, pets and damage.

^{3,5,6} See back cover for disclosures.

NOTE: Product specifications may change without notice.
Actual colors may vary from those shown and products may vary slightly from illustrations and photos.

¹ Double-hung window available in East Region only.

² Some Pella products may not meet ENERGY STAR® guidelines in Canada. For more information, contact your local Pella sales representative or go to energystar.gc.ca.

³ Grilles are not available with blinds-between-the-glass. Blinds-between-the-glass available on sliding patio doors only.

⁴ The Pella Limited Lifetime Warranty is non-prorated, meaning the coverages within the defined warranty periods do not decrease over time. See written limited warranty for details, including exceptions and limitations, at pellaatlowes.com/support, or contact Pella Customer Service at 877-473-5527.

⁵ J-channel assembly available as an accessory.

⁶ Available in select regions only. See your Pella sales representative for more information.

⁷ Appearance of exterior grille color may vary depending on the Low-E insulating glass selection.
