78G30100

Parts Included:

- Exterior handle
- Interior handle
- Snap-in cover
- Handle screw

Tools Required:

- Phillips screwdriver #2 bit

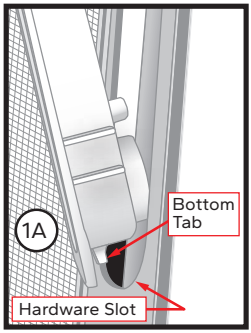

REMEMBER TO USE APPROPRIATE PERSONAL PROTECTIVE EQUIPMENT.

1 Install the Handle:

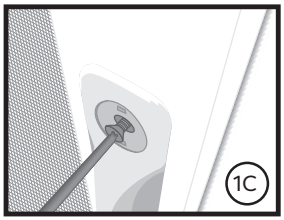

A. **Install the interior handle.** Hook the bottom tab of the interior handle onto the bottom of the hardware slot. Slide the handle down and push the top of the handle into the hardware slot.

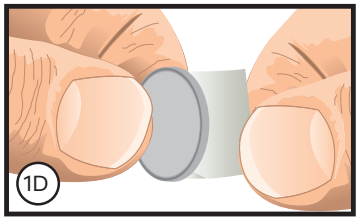

B. **Install the exterior handle** in the same manner as the interior handle.

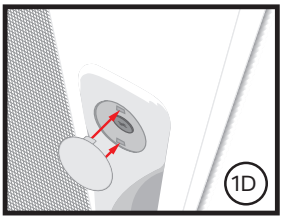

C. **Attach the handles** by inserting the handle screw through the exterior handle into the interior handle. Hold the interior handle tight against the screen panel while you insert and tighten the screw.

D. **Insert the snap-in cover.** Remove the release paper from the back of the cover. Align the tabs of the cover with the slots in the exterior handle. Press the cover in place.
