Pella® Lifestyle Series Dual-Pane Model 4 and Triple-Pane Sliding Door Retainer

Installation Instruction

Parts Included:

Panel retainer
Panel retainer pin

No Tools Required

1 Install The Retainer:

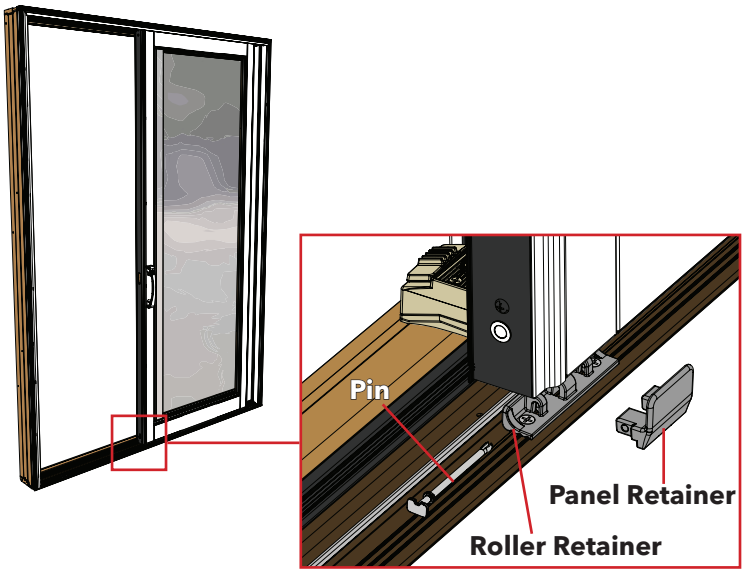

A. Slide the movable panel all the way open, and from the exterior, find the roller retainer located near the interlocker.

B. Place the panel retainer on the roller retainer and insert the pin provided.

NOTE: The slot on the head of the pin should point up toward the head or down toward the sill.

⚠ WARNING!

If the panel retainer is not installed, the door panel can fall from the product, possibly causing death or serious injury. Follow directions closely when installing and servicing the product.
