Pella® Impervia® Sliding Patio Door Panel Retainer

Installation Instruction

These instructions apply to:

Sliding Patio Door Model 2.0 06/2021 - Current

Tools Required:

- Phillips screwdriver

Parts Required:

- Retainer, 2 screws

⚠ WARNING **Panel Retainer MUST be installed** to reduce risk of serious injury or death from a falling door panel. If panel retainer is lost or damaged, DO NOT INSTALL DOOR. Contact your Local Pella Retailer or Pella Customer Service (877) 473-5527 for replacement.

1 Panel Retainer Installation:

A. Insert the panel retainer as shown into the panel retainer opening. The panel retainer opening is located on the sill near the center of the door frame.

B. Tilt the retainer up in the opening towards the panel.

C. Install and tighten the 2 panel retainer attachment screws.
