Pre-Assembled Curved Trim

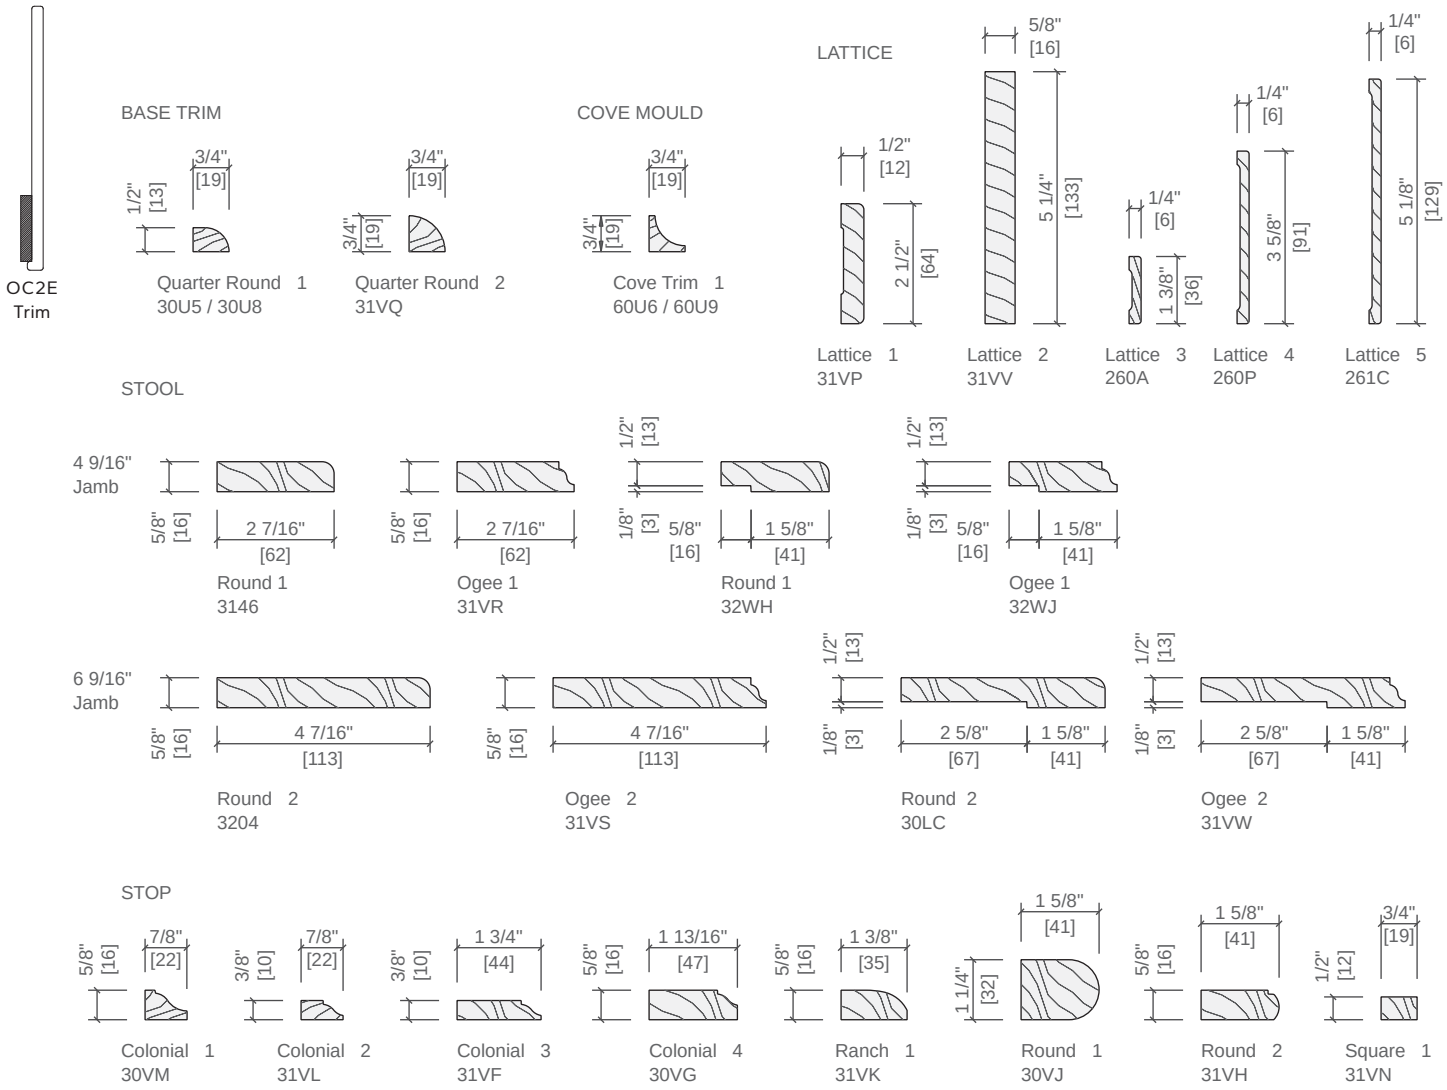

Available on all curved products except Premium Wood Entry Doors.

Pine and Oak Curved Interior Trim will come with a 1" minimum excess on both ends, and will need to be trimmed to size to ensure a tight fit against the Lineal Interior Trim sections.
Please Note: Full Circles and Ovals will come in 2 pieces, and will also need to be trimmed to size.

Lineal Trim to complement the Curved Trim Assembly for units that require it will still be branch supplied.

Curved Assemblies are ordered Under 'Wrapping for Mull Group'.
