Special Order

To avoid over-production and control costs of these products, **yearly production quantity is determined strictly by pre-orders received during the annual ordering period**. Bulletins are sent out each fall with ordering period details and estimated production and delivery dates.

Order window: September – October.

Delivery: Begins in March with most shipments completed by early May.

Overprint quantities are sometimes available but usually limited.

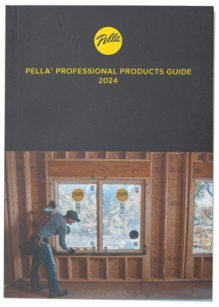

For more information contact Austin Brown, ***brownam@pella.com.***

Pella Architectural Design Manual

Quantity: **4 per carton**
Location: **Pella Technical Publications; produced annually, pre-order only**
Applicable for: **All brands**

- Hard-cover book; includes an extended introduction with architectural photography of Pella project examples, Performance overview, and Installation/Applications. Product section includes overviews of all Pella branded products currently offered through PDSN sales branches.
- Data for each product includes performance summaries, cross section, and size/performance table and QR codes linking to the complete online ADM document for that product.
- Self-adhesive vinyl business card holders (qty. 4) are included in each carton.

Pella Product Guide
