SERVICE INSTRUCTION

Pocket Cover Replacement for Sliding Window

These instructions apply to:

Pella® 250 Series 2014–Current

Tools Required:

- 90 Hook Tool or Allen Wrench

Supplies Needed:

- Pocket Cover Service Pack

---

1 Pocket Cover Removal:

A. Insert a hook tool into lower portion of the pocket cover, near the sill track.

B. Pull the pocket cover with the hook to begin removal. Grasp the pocket cover and remove.
