* For use with windows that are >= 28-1/8" wide. This should only be used as a replacement part for Manufacturing dates Jan. 1991 - July 2010. If the unit is Manufactured from Aug.ust 2010 - Current, Standard hinge hardware can be swapped out for Egress hardware. Please review the operator section to verify manufacture change of the arm. Verify that adding egress hardware will actually meet local codes for egress.
