Fiberglass

High performance. Low maintenance.

- Grained fiberglass has the warm, rich look of wood.
- Dent-resistant and won’t rust or corrode.
- Choose from Mahogany-grain, Oak-grain, Fir-grain and Smooth fiberglass.

Steel

Naturally strong and durable.

- Steel panels provide a quality appearance to any home that’s easy to maintain.
- Smooth surface creates even color when painted.
- Steel provides extra durability.

Pella® entry doors are backed by one of the best warranties in the business.*

Pella entry door fiberglass systems with composite exterior frames are backed by the Pella Limited Lifetime Warranty.*

*See written limited warranties for complete details, including exceptions and limitations, at pella.com/warranty or contact Pella Customer Service.
